**TO WHOM IT MAY CONCERN:**

The Association of Chinese American Physicians (ACAP) is proud to announce our 17th Annual Convention at The Sheraton East LaGuardia Hotel 135-20 39th Avenue, NY, 11354 on Sunday May 06, 2012.

ACAP is a professional organization of Chinese American Physicians who care for the Chinese community ([www.acaponline.org](http://www.acaponline.org)). One of ACAP's objectives is to promote quality healthcare through physician networking and professional development. Since its inception in New York in 1995, ACAP's national membership has grown to nearly 600 physicians, mostly from the metropolitan New York and New Jersey areas; we have chapters in Westchester, Philadelphia and Washington as well.

The ACAP 2012 annual convention will feature an outstanding CME program including updates and innovations in medicine co-sponsored by 6 other Asian Pacific Islander (API) medical associations (*KAMA, MAMES, JMSA, PCAMA, APICHA, NYSOMS*) and 5 hospitals (*NYHQ, Beth Israel Medical Center, Mount Sinai Hospital, Lutheran HealthCare and Flushing Hospital*). Furthermore, the annual convention will also host three concurrent sessions for Pathology and Dermatopathology. Up to 5 AMA Category 1 CME will be awarded to participants after completion of the scientific session.

This convention offers an ideal setting for members and sponsors to interact. Exhibitors have the unique opportunity to showcase their products and services to over 100 physicians. Nearly 65% of ACAP members are family and primary care physicians. The co-sponsorship of our partner societies this year will enhance this opportunity with new physicians from the API community.

I hope you will continue providing the same or higher level of support to our professional organization. Please refer to the enclosed 'Sponsorship Package' for more information. ACAP is a 501(c) 3 tax-exempt non-profit organization. Our tax ID number is 26-1618284. If you have any questions, please free to contact us at 718-321-8798 or [admin@acaponline.org](mailto:admin@acaponline.org)

Your contributions enable ACAP to continue our community outreach, patient education, physician education and the growth of our healthcare organization.
